

Whole School Approach to Supporting Pupil Behaviour

- ◆ In the corridors we will walk on the left.
- ◆ We will give way to adults and hold doors open as appropriate.
- ◆ We will use our indoor voices when in school and not on the playground.
- ◆ Our teachers will line us up so that we can be sensible.
- ◆ We will keep the lockers tidy.
- ◆ We will put our lunch boxes safely away in the trolley or locker.

Around school

- ◆ We will tuck in our shirts/ t-shirts before coming in to assembly and make sure we are not bringing in anything unnecessary.
- ◆ We will enter assembly silently, in line order set by the teacher (staff will model this by not talking).
- ◆ We will sing along to the songs or sit quietly and listen.
- ◆ We will clap when it is appropriate.
- ◆ We will not talk in assembly. We will be given one reminder and then asked to leave if we are not being respectful.

Assemblies

- ◆ Once we are outside, we will stay outside, unless we ask permission to use the toilet or go to a club.
- ◆ We will put our water bottles outside in the carriers.
- ◆ We can play football when it is our year group turn.
- ◆ When we hear the whistle outside we will stand still and listen.
- ◆ Our Student Leadership will show us how to use the restorative approach.
- ◆ We will listen and be respectful towards the play buddies.
- ◆ We will always show respect and use manners to all of the staff
- ◆ Our teachers will line us up so that we can be sensible.

Playtimes/ Lunchtimes
