Dear Parents/Carers

We have noticed over the past few weeks that several children are turning up on PE days wearing earrings, which can be dangerous for the children. Our school policy states:

*Where possible it is expected that children remove earrings. In the rare case that this is not possible, parents must provide a letter addressed to the teacher explaining why. Only on these rare occasions may children wear plasters or tape which must be provided by parents and applied by the child themselves.*

Please can you ensure that if your child wears earrings, they come to school on PE days without them in, or with tape to cover them up themselves, with a note for their class teacher. If children do not have their own tape then a message will be sent to parents to come up to school and remove the earrings before the PE session.

Please remember that PE is a statutory subject so if your child cannot take part in PE, then a letter must be sent in to their class teacher explaining why.

Kind regards

A Howfield  
PE Coordinator
