## Behaviour

Our whole school follows the 'STAR' values and we use the restorative approach to allow children to talk about problems that may have arisen during the day.

# Other useful information

If you have any concerns please don't hesitate to come and ask us. You can catch us at the end of the day once all the children have been dismissed or just send a note in with your child.

We have regular drop in sessions where you can come and see your child's work and two formal parent's evenings every year where we talk about your child's progress.

## Internet Safety

As you are aware children have much more access to the internet than ever before via numerous devices. In school we do a lot to make sure the children know the dangers of speaking to others online and giving out personal information. Please monitor the games/apps your child goes on to help keep them safe.
