

Dear Parents and Carers

Exciting news – our first ever Colour Run! Please read the important information below.

As part of Sports Week all our children will be taking part in a colour run on Thursday 3rd July during the school day. This is a fun, non-competitive activity where your child will run, walk or skip their way around school whilst being covered with a rainbow of coloured powder. This is such a fun, memorable activity we cannot wait to get everyone involved in (including the teachers)!

Where possible we are asking each child to please raise money through sponsorship.

Every penny raised will go directly to our school and will be used to help enrich your children's learning experience through the provision of new equipment and activities. Please support your child and the school by helping them ask for sponsors. You'll find a sponsorship form on the back of this letter which we kindly ask that you return to school with your donations in the envelope provided. Alternatively, you can make your donations online via <https://gofund.me/80acbd56>

Paint the Teacher!

Once all the children have completed their Colour Run everyone will join together to 'paint the teacher'! Children will be given the opportunity to throw powder paint at their teachers – we can't wait (!)

We are kindly asking all children to bring in a £1 donation on the day to sponsor their teachers.

For your child to take part we ask that you send them to school in...

- Old clothes and ready to get messy (this is the fun part!) White is great as it really shows up the rainbow of colours. Please be aware that heavily soiled areas may stain clothing
- Footwear suitable for running; please bear in mind that they will get paint on them
- With sunglasses / goggles and a cap to protect their eyes. We will provide children with a face mask
- Any rainbow fancy dress or accessories they may wish to wear e.g tutus, wigs, headbands, stripy socks etc in their school bag for them to put on before the run starts – the more colourful the better!

Children will be coming home in their colourful clothes, so you may wish to bring them a change of clothes or a towel if you are travelling home by car.

Health and Safety. Colour powder is made from non-toxic, natural ingredients and food-grade dyes. As with any substance you should avoid getting it in your eyes and mouth. If you have any concerns please consult your doctor or specialist. If for any reason you do not wish for your child to take part, please inform your class teacher on the day. Children will still be able to cheer their classmates on.

Thank you in advance for enabling your child to take part in this event and for fundraising for our school. We know we're asking for your support a lot at the moment, and we are truly grateful.

We can't wait to welcome our children to the most colour-fun run in Whittington!

Sponsorship Form

My name is: _____

I am in (class): _____

I am raising money by taking part in Whittington Primary and Nursery School's Colour Run on Thursday 3rd July. Please help me raise £5 and support my school by sponsoring me!

Thank you.

Sponsor Name	Sponsor Amount	✓

We kindly ask that you return this sponsorship form and your donations in the envelope provided by Friday 11th July.

You can also donate online by scanning the QR code or visiting <https://gofund.me/80acbd56>

THANK YOU SO MUCH FOR YOUR SUPPORT.
