

Welcome to

Welcome to Whittington Primary and Nursery School. Here is some information about life in

Year 3/4.

Other useful information

If you have any concerns please don't hesitate to come and ask us. You can catch us at the end of the day once all the children have been dismissed or just send a note in with your child.

We have regular drop in sessions where you can come and see your child's work and two formal parent's evenings every year where we talk about your child's progress.

Internet Safety

As you are aware children have much more access to the internet than ever before via numerous devices. In school we do a lot to make sure the children know the dangers of speaking to others online and giving out personal information. Please monitor the games/apps your child goes on to help keep them safe.

Our topics...

Autumn - Through the ages

We will be learning all about the Stone age, Bronze age and Iron age.

Spring - Extreme environments

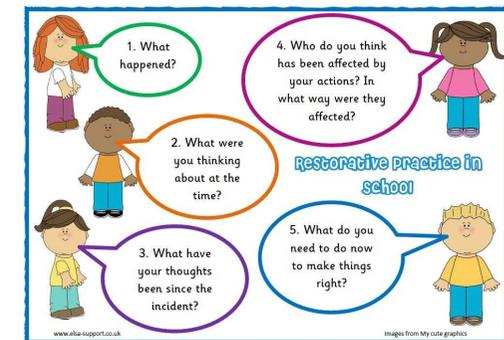

We will look at different weather types and the effect that they have on the world.

Summer -The Egyptians

We will be learning all about the Egyptians and the tales of Tutankhamun.

Behaviour

Our whole school follows the 'STAR' values and we use the restorative approach to allow children to talk about problems that may have arisen during the day.

Our timetable...

For morning break, your child can bring in a **healthy snack: fruit, veg, cheese, cereal bars.**

Your child will **only** need to bring in a book bag and a water bottle (both clearly named).

Please do not bring any other equipment to school as everything is provided for the children. We have limited space in the mobile so no large bags please., as children have to share a locker

HOMEWORK

Children's **reading** diaries should be signed 3 times a week and brought into school each day. Once children have completed the reading scheme, they become free readers and can choose a suitable book that interests them.

Each week the children will be given new spellings to learn for the following week.

Homework should be returned the following Monday.

Maths homework is learning **times tables** as this is an integral part of the maths curriculum. You will be set games on:

www.ttrockstars.com

By the end of Year 3, children should know

PPA—During the teacher's planning and preparation afternoon the children will be taught by sport coaches and learn a language with Mrs Broadbent.
